Dear Bride and Groom:

Congratulations on your upcoming wedding and thank you for your interest in Mackie Lake House. We are a designated heritage home located on the shores of Kalamalka Lake. Our wedding ceremonies are held on the expansive lawn overlooking the lake, framed by two very impressive and old Linden trees.

The property can easily accommodate 150- 175 people. House access is restricted to the bride and her attendants. Parking is also extremely limited so guests are asked to use the driveway for drop off only and to park on Kidston Road or Linden Drive. We also encourage all prospective wedding clients to come out and take a look at the property.

If your wedding will be a very small intimate event, please feel free to call to discuss options for using the House.

We are environmentally conscious and require that all events leave no footprint behind. Details are included in this package.

We look forward to any questions you may have. Remember your celebration is not booked until a deposit is received by Mackie Lake House.

Again, congratulations and we hope to speak with you soon.

Sincerely,

Christine
